

## **Texana Groundwater Conservation District Notice of Proposed Permit Issuance**

Notice is hereby given in accordance with Rule 4.6: Decision and Issuance of Permits of the Rules of the District that the Texana Groundwater Conservation District proposes to issue a production permit authorizing operation of a water well for non-exempt uses on April 30, 2024.

Mr. Candido Saenz seeks, under permitting request case PRC-20240222-01, a production permit authorizing production from grandfathered well GW-00547 for the production of groundwater for RV-Park and home uses at rates not to exceed 20 gallons per minute or 4 acre-feet per year. The proposed well will be located on a 8.07-acre tract of land near the intersection of Deyton Road and Lolita Road in Jackson County, Texas.

Any person who intends to contest a permit application must provide written notice of that intent to the District at P.O. Box 1098, Edna, Texas 77957 at least three calendar days prior to the proposed date of permit issuance as published in this public notice.
