

Texana Groundwater Conservation District

Notice of Proposed Permit Issuance

Notice is hereby given in accordance with Rule 4.6: Decision and Issuance of Permits of the Rules of the District that the Texana Groundwater Conservation District proposes to issue a production permit authorizing operation of a grandfathered well for non-exempt uses on October 31, 2023.

Ms. Cathy Rector for James Food Mart seeks, under permitting request case PRC-20230628-01, production permit authorizing production of groundwater for commercial uses at rates not to exceed 20 gallons per minute or 5.15 acre-feet per year from grandfathered well GW-00572. The well is located on a 10.31-acre tract of land near the intersection of FM 616 and FM 1593 in Jackson County, Texas.

Any person who intends to contest a permit application must provide written notice of that intent to the District at P.O. Box 1098, Edna, Texas 77957 at least three calendar days prior to the proposed date of permit issuance as published in this public notice.
